## Discover Excellence in Education

### Back to School: Unlock Your Best Academic Year!!

As the school year kicks off, set your child up for triumph with these fun tips: create a vision board for goals, make a family manifesto to boost routines, and enjoy "tech-free evenings" for better bonding. These creative moves will help your child start the year with excitement and confidence!

## Back to School Tips

### 1. Create a Morning Playlist

Develop a playlist with upbeat songs to energize students and set a positive tone for the first day of school.

### 2. Design a Personal Motto

Encourage students to create a personal motto or mantra for the school year, such as "Learn and Grow" or "Challenge Accepted."

### 3. Backpack Fashion Show

Organize a "backpack fashion show" at home where students showcase their packed backpacks, highlighting their favorite supplies or decorations.

### 4. DIY Name Tag Craft

Help students create unique name tags with their interests or hobbies for the first day.

### 5. Map Your School Adventure

Create a "school adventure map" highlighting important spots like classrooms, the cafeteria, and favorite hangout areas.

# Gearing Up for Success!!

"Setting goals is the first step in turning the invisible into the visible.

- Tony Robbins

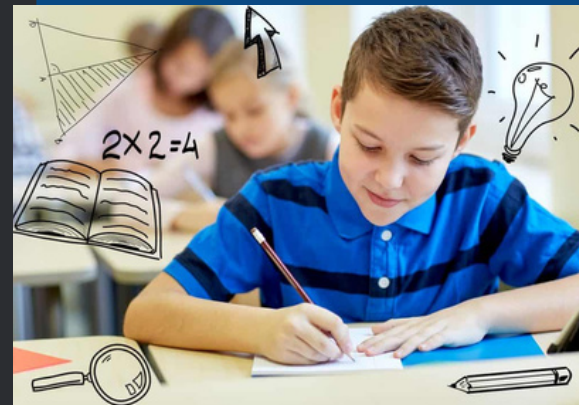

## Setting Goals

- **Academic Focus:**
  - Encourage your child to set realistic academic goals.
  - Use planners and organizers to track assignments and deadlines.
- **Extracurricular Goals:**
  - Discuss which clubs or teams they are interested in joining.
  - Set goals for participation and achievement.

## First Term Focus

- **Core Subjects:** Focus on building a strong foundation in math, science, language arts, and social studies.
- **Project-Based Learning:** Hands-on projects designed to enhance critical thinking and problem-solving skills.
- **Assessment Strategies:** Stay informed about upcoming tests, quizzes, and assessments, with guidance for effective preparation.

## Building a Positive Mindset

- **Encouragement:** Praise efforts and improvement, not just results.
- **Open Communication:** Create an environment where children feel safe sharing their school experiences.

# The Benefits of After-School Activities

- **Learning Beyond the Classroom:** Activities that reinforce and expand on classroom learning.
- **Personal Growth:** Opportunities to develop creativity, critical thinking, and problem-solving skills.
- **Community and Connection:** Encouraging social interaction and fostering a sense of belonging.

"After-school activities open doors to learning beyond the classroom."

## Featured After-School Programs

- **Alt Math:** An innovative approach to math that encourages logical thinking and problem-solving through engaging, real-world scenarios.
- **Handwriting:** Focused sessions to enhance handwriting skills, fostering clarity and confidence in written communication.

ASA Calibration Report (Jan - June 2024)

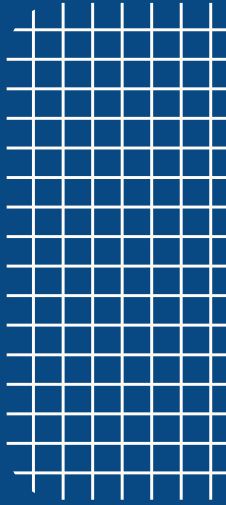

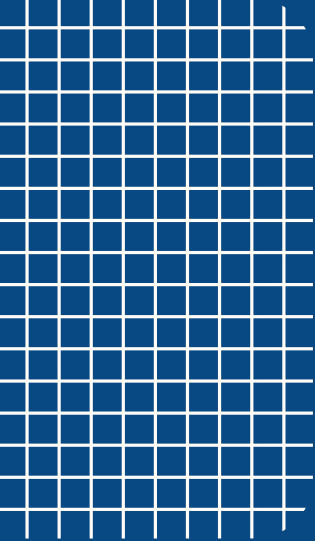

# Our Parents Testimonials

”  
**As parents of a Grade 6 and grade 4 students we are incredibly grateful for the transformative impact that Vega Visionary math has had on our child's education.**

”  
**I'm so happy to have found this platform for my child to get coaching. Brilliant teachers and very flexible at understanding the need to make the teaching exclusive as per the child's learning ability.**
